

Colliding Worlds

What did the crew learn from seeing smoke on the shore?

Watch the video **Colliding Worlds**. As you watch, think about these questions and write down your thoughts.

In what ways were the narrator's ancestors connected to their natural world?

What did the scientists on board bring with them? Why?

What does the *Endeavour* story make you wonder about? Write two questions.

The Message

Watch the video ***The Message***.
How was the message of the
arrival of HMB *Endeavour* passed
on by the people on the shore?

Draw or write the different ways
in the circles. Around the outside,
write what you think these
messages were about.

A worksheet for a drawing or writing activity. It features five large, white, rounded rectangular shapes arranged in a circular pattern. These shapes are connected by a series of dotted lines that form a continuous, swirling path around them. The background is a light blue color with subtle, larger-scale circular patterns.
