

Up, down and move around game | Year 2

Resources: <https://digital-classroom.nma.gov.au/warakurna>

Step 1:

This game can be played inside or outside and is a great way to develop concentration and listening skills. Choose the best environment to play the game.

INSIDE	OUTSIDE
<p>Step 2</p> <p>Have your students place their chairs in two rows as if they were passengers on a plane.</p>	<p>Step 2</p> <p>Have your students stand in two rows as if they were passengers on a plane.</p>
<p>Step 3</p> <p>Choose a pilot to yell out the actions.</p>	<p>Step 3</p> <p>Choose a pilot to yell out the actions.</p>
<p>Step 4</p> <p>Demonstrate the actions for up, down and move around.</p>	<p>Step 4</p> <p>Demonstrate the actions for up, down and move around.</p>
<p>Action up</p> <p>Players need to stand up next to their chairs.</p>	<p>Action up</p> <p>Players need to stand up.</p>
<p>Action down</p> <p>Players need to sit on a chair.</p>	<p>Action down</p> <p>Players need to sit on the ground. Be sure the surface is free from hard rocks or bees and prickles/bindies.</p>

<p>Action move around</p> <p>This action can be done in single formation with limited room in a classroom.</p>	<p>Action move around</p> <p>This action can be done both as a group (plane formation) and in single formation.</p>
<p>Single formation</p> <p>Break away from your group and move around the classroom as if you were flying. Pick an object you can see from the sky and remember it as you will need to tell your group when you sit back down.</p>	<p>Single formation</p> <p>Break away from your group and move around the space as if you were flying. Pick an object you can see from the sky and remember it as you will need to tell your group when you sit back down.</p>
	<p>Plane formation</p> <p>Move around the space as a group in your plane. Look out your window and pick an object you can see from the sky. Remember the object as you will need to tell your group when you sit back down.</p>
<p>Step 5</p> <p>Do a practice round first so that all players understand the actions. The players need to yell out the object they saw when they sit back down from moving around.</p>	<p>Step 5</p> <p>Do a practice round first so that all players understand the actions. The players need to yell out the object they saw when they sit back down from moving around.</p>
<p>Step 6</p> <p>Action down; when players sit down they must yell out the object they picked.</p>	<p>Step 6</p> <p>Action down; when players sit down they must yell out the object they picked.</p>
<p>Step 7</p> <p>Repeat as many times as you like and rotate the pilot around in turns among players.</p>	<p>Step 7</p> <p>Repeat as many times as you like and rotate the pilot around in turns among players.</p>

Step 8:

When you have finished the game, return chairs to desks and ask players to draw their favourite object and write why they chose it.

Step 8:

When you have finished the game, return to the classroom and ask players to draw their favourite object and write why they chose it.
